

SCIENCE & ENGINEERING IN FLORIDA: **AEROSPACE**

SERIES LAUNCH DATE: FEBRUARY 24 at 2:30 PM ET

Join Enterprise Florida and Science is US on **February 24th at 2:30 pm ET** as we launch the first event in a series of virtual discussions on how science & engineering support Florida.

The series will kick-off on the 24th with **Lt. Gov. Jeanette Núñez** and a panel of science & engineering experts to discuss Florida's aerospace industry. A lively and actionable dialogue with all participants will follow.

THERE IS NO COST TO ATTEND THIS EVENT BUT REGISTRATION IS REQUIRED. PLEASE USE THE FOLLOWING LINK: bit.ly/siu022421
