Property Insurance Reform

The Conference Committee on Property Insurance Reform has been meeting throughout the day in efforts to reach consensus on a final product. As of the writing of this report, several of the major provisions in each chamber's proposals remain on the table and negotiations between Senate and House conferees continue. The bills being considered are SB 4A by Senator Bill Posey (R-Rockledge) and five House bills (HB 1A, 3A, 5A, 7A, and 9A). The conference committee will be meeting throughout the night and will most likely extend into the weekend. AIF will be closely monitoring all these meetings and will provide a complete weekly recap report of the outcome upon the conclusion of all conference committee meetings.
