Scheduled Events Overview

The Roast of Mike Jennings

In celebration of our 90th anniversary, AIF invites you to attend the Roast of Chairman Mike Jennings. It will be an evening of good food, good friends and good times. Along with local legislators and business leaders from Jacksonville, there will be many old and new AIF friends in attendance. The event is being held Monday, May 17th, at The Cummer Museum of Art & Gardens, starting at 6 pm. For more information go to aif.com.

AIFPC Candidate Interviews

The Associated Industries of Florida Political Council (AIFPC) will hold a series of interviews in different cities around the state to give AIFPC members a chance to interview candidates for the Florida Legislature. The cities for 2010 are: Orlando, Tampa, Miami, Palm Beach and Tallahassee. Go to aifpc.com for more information.

Florida Water Forum 2010

Associated Industries of Florida and the Florida Section of the American Water Works Association are proud to announce the 2010 Florida Water Forum, which will bring together candidates for Governor and Commissioner of Agriculture for the state of Florida to discuss this very important issue. This first ever, one-of-a-kind statewide forum will bring to the forefront Florida's critical water issues — such as supply, planning, quality, and the numeric nutrient criteria — and how the candidates for these offices feel about these issues. The event will be held at The Peabody hotel in Orlando on June 4th from 10:30 am – 1:30 pm, with a lunch being served. For more information go to flawaterforum.com.

FAIF 2nd Annual Golf Tournament

The highly successful and attended FAIF Golf Tournament returns in 2010.

2nd Annual Champions for Business Awards Reception

Last year's event was a smashing success and it returns this year. With a plethora of legislative and business leaders across Florida in attendance, the highly respected AIF Champions For Business Awards are presented.

AIF Annual Conference

Where members gather each year to participate in what many people feel is the best conference of the year in getting down to the "nitty gritty" of issues facing Florida employers. Guest speakers and presentations will be made from who's who of legislative and political leaders across the state.

AIF 2010 Primary & General Election Watch Receptions

For many years now, AIF has invited many of our good friends to come to our House to watch the election results unfold throughout election night. With plenty of food, drinks and up-to-the-minute results coming in via big screen tv's and computers set up throughout, it is the place to be during the primary and general election nights.

Also throughout the year – AIF Power Lunches

We invite some of the major movers and shakers in Florida government to come to these lunch sessions and speak to our members on the key issues of the day.
