## **FLORIDA SPACE CAUCUS MEETING: TUESDAY JANUARY 19, 2010**

TALLAHASSEE, FL: The Florida Space Caucus, consisting of over 40 members of the Florida's House and Senate will meet at the Tallahassee IMAX Theater at 7PM on Tuesday, January 19<sup>th</sup>. The Space Caucus will hear from aerospace leaders about the space industry's importance in Florida. The keynote speaker will be Frank DiBello, President and CEO of Space Florida. In addition to the speakers, legislators will be invited to present bills to the Space Caucus members for their consideration and support. Representative Workman remarked that "when the Space Caucus champions a bill, the legislation's sponsor will have the backing of a large number of supporting House and Senate members." Following the meeting, guests of the Space Caucus will watch a special viewing of Magnificent Desolation on the IMAX screen and will have the opportunity to meet a Shuttle astronaut. The Space Caucus meeting is open to the public and members of the press are encouraged to attend.
