

Whether they proposed an important bill, authored a key amendment, or toiled

The *Champion for Business* award symbolizes our gratitude for extraordinary efforts by legislators on behalf of the business community.

Throughout the 2018 Session, these were the leaders we turned to when the business community needed someone we could depend upon.

Votes provide tangible evidence of whether a legislator supports the ability of Florida companies to prosper and operate free of overly burdensome state regulation and taxation. It is a valuable tool used by AIF and the business community to determine which legislators deserve our support. Yet voting records only tell part of the story.

A *Champion for Business* is a legislator who takes a stand for his or her belief in the free-enterprise system, who defies the status quo when it is harmful to our state's competitive climate and who faces down opponents to the growing prosperity of Florida's citizens.

The *Champion for Business* is evidence that, in our efforts to let our members and their legislators know who has supported business and who hasn't, we leave no stone unturned.

In our collective wisdom, these five legislators are the epitome of what a *Champion for Business* should be. Whether they proposed an important bill, authored a key amendment, or toiled behind the scenes, these legislators are the ones who made a difference this session.

Senator Rob Bradley (R-Orange Park)

Senator Rob Bradley is receiving his first *AIF Champion for Business Award*. Associated Industries of Florida applauds Senator Bradley for his diligent work to pass glassware legislation during the 2018 Session. Allowing Florida businesses to accept beer branded glassware from a wholesaler at no cost will reduce the operating costs for businesses within our state.

Senator Kathleen Passidomo (R-Naples)

Senator Kathleen Passidomo is receiving her first *AIF Champion for Business Award*. Associated Industries of Florida applauds Senator Passidomo for her steadfast effort to introduce bad faith reform language to every iteration of automobile liability legislation during the 2018 Session. Senator Passidomo proved to be a fierce advocate for common sense in our tort system.

Senator Dana Young (R-Tampa)

Senator Dana Young is receiving her second *AIF Champion for Business Award*. Associated Industries of Florida applauds Senator Young for her committed work in advocating for sector plan language during the 2018 Session. Her unwavering pursuit to ensure the rights of Florida landowners was exemplary.

Representative Joe Gruters (R-Sarasota)

Representative Joe Gruters is receiving his first *AIF Champion for Business Award*. Associated Industries of Florida applauds Representative Gruters for his achievement in passing glassware legislation during the 2018 Session. Allowing Florida businesses to accept beer branded glassware from a wholesaler at no cost will reduce the operating costs for businesses within our state.

Representative Mike Miller (R-Orlando)

Representative Mike Miller is receiving his first *AIF Champion for Business Award*. Associated Industries of Florida applauds Representative Miller for his committed work in advocating for sector plan language during the 2018 Session. His dedication to ensure the rights of Florida landowners was exemplary.

Associated Industries of Florida (AIF) and our members are proud to recognize the members of the Florida Legislature who have achieved a 100% AIF voting record for the 2018 Session. This represents a commitment to sound policy that supports Florida's employers and job creators. Not only does this score encompass votes to pass legislation beneficial to businesses, it includes votes to defeat policies that would have a detrimental impact on businesses and their employees.
