

Associated Industries of Florida Policy Councils & Coalition

Our councils bring together unique sectors of the business community in order to develop and promote issues vital to those respective industries.

These Councils are the backbone of policy making at AIF as the member companies of each Council voice their issues, concerns and ideas and help develop the policies that are presented to our Board of Directors for approval.

Want to Participate?

As a member, you can take a leadership role in the public policy issues that affect your company. Membership is required to participate on AIF's Councils and to receive our member communications.

Environmental Sustainability & Agriculture Council (ESAC)
Addressing recycling, water quality, product stewardship, and other environmental issues important to the business community.

Financial Services Council (FSC)
Insurance and financial industries, working in concert with other interested parties, to secure a stable fiscal climate for Florida.

Florida Energy Council (FEC)
Developing resources to meet Florida's future energy needs — producers, suppliers, storage facilities, marketers, retailers, wholesalers and users.

Florida Transportation & Maritime Council (FTMC)
Ensuring their continued economic prowess in a global marketplace for businesses that operate or support operations at any of Florida's 14 deep water ports.

Health Care Council (HCC)
Working to craft a more functional and sustainable health care delivery system for Florida, incorporating the core principles of access, quality and affordability.

Information Technology Council (ITC)
Promoting Florida's move to the cutting edge of technology to meet the demands of a diverse, fast-growing population, while balancing the needs of the state and private sector.

Manufacturing, Aerospace & Defense Council (MADC)
Advancing the interests of Florida's manufacturing community to help Florida diversify its economy and provide more high-wage and high value-added jobs in the state.

Taxation Council (TC)
State tax revenues are necessary to fund essential state services and programs, but those needs must be balanced against the impact of taxation on Florida's businesses.

H2O Coalition
Supporting science-based solutions and adequate funding to address Florida's water quality and water capacity issues.
